

Waivers/Exemptions For Licensees Called To Active Military Duty

June 20, 2005

The Kentucky Office of Insurance has announced that every effort will be made to provide appropriate waivers and exemptions for insurance producers licensed in the Commonwealth who have been called to active military duty.

Requests will be evaluated on a case-by-case basis and may include:

- Waiver of renewal penalties and sanctions
- Waiver of continuing education requirements
- Exemption of examination
- Extension of continuing education requirement

Documentation related to dates of active military deployment and service is required as well as a demonstration of a good faith effort made to meet requirements prior to deployment.

Kentucky law does not allow the Office to exempt any licensed agent from cancellation but mechanisms are in place to reinstate without penalty or sanction.

The **Affidavit For Active Military Duty – Form MLW-01** is available on the Office Web site at <http://doi.ppr.ky.gov/kentucky/Documents/agent/ActiveMilitaryWaiver08022005.pdf>
